

## Safety Data Sheet (SDS)

### 1. Product & Company Identification

Product Name

YTK Agent (Type Approval Number: Agent No. 23 - 1)

Manufacturer : Yamato Protec Corporation  
Address : 5-17-2 Shirokanedai, Minato-ku, Tokyo  
Phone Number : 0570-080100 (Navi Dial)  
Department : Technical Support

Suggested Use & Limitations on Use : Fire Extinguishing Agent

### 2. Hazards Identification

GHS Classification

Items not listed below are “Not classified”, “Unclassifiable”

Health Hazards

Acute Toxicity (Oral) : Category 5  
Skin Corrosion/Irritation : Category 2  
Serious Eye Damage/Eye Irritation : Category 2A  
Reproductive Toxicity : Category 1B

Specific Target Organ/Systemic Toxicity (Single exposure):

Category 1 (Respiratory system, heart, kidney, central nerve system)

Specific Target Organ/Systemic Toxicity (Repeated exposure):

Category 1 (Respiratory system, heart, central nerve system)

Representation or Symbol:

Alert Level : Danger

Health hazard statements

May be harmful if swallowed

This SDS has been prepared based on the latest information available. However, we cannot guarantee the accuracy of the information and data contained herein, such as descriptions of hazards and toxicity. The latest rules, ordinances, laws and regulations of the national and local governments and organizations should be looked into and should apply.

Causes skin irritation  
Causes serious eye irritation  
May damage fertility or the unborn child  
Causes damage to Respiratory system, heart, kidney, central nerve system  
Causes damage to Respiratory system, heart, central nerve system through prolonged or repeated exposure.  
Harmful to aquatic life

#### Precautionary statement

##### Safety Precautions

Do not handle until all safety precautions have been read and understood.  
Wear respiratory protection.  
Wear protective gloves/ protective clothing/ eye protection/ face protection.  
Do not breathe dust/fume/gas/mist/vapors/spray.  
Do not eat, drink or smoke when using this product.  
Wash hands thoroughly after handling.  
Avoid release to the environment.

##### First Aid Measures

###### IF SWALLOWED

Call a POISON CENTER/ doctor if you feel unwell.

###### IF ON SKIN

Wash with plenty water. If skin irritation occurs: Get medical advice/ attention.

###### IF IN EYES

Rinse cautiously with water for several minutes.  
Remove contact lenses, if present and easy to do. Continue rinsing.  
If eye irritation persists: Get medical advice/ attention.

###### If exposed or concerned

Get medical advice/attention.

##### Storage

Avoid high humidity, keep the product within the operating temperature range, and if possible, under lock indoors.

##### Disposal

The contents and the container should be disposed of by waste disposal contractors licensed by the Governor.

### 3. Composition/Information on Ingredients

---

Single Component or Mixture : Mixture  
Chemical Name or Common Name : Fire extinguishing  
(Loaded stream (Neutrality))

Chemical Name or Common Name	CAS Number	Official Gazette Reference Code	Concentration or Concentration Range
Acetate salt	Available	Available	20 to 30%
Ethylene glycol	107-21-1	2-230	3 to 10%
Borate salt	Available	Available	Trade secret

---

### 4. First Aid Measures

---

#### IF INHALED

Remove person to fresh air and keep comfortable for breathing.

#### IF ON SKIN

Wash with plenty of water and soap.

If experiencing respiratory symptoms: Get medical advice/attention.

#### IF IN EYES

Rinse cautiously with water for several minutes.

Remove contact lenses, if present and easy to do. Continue rinsing.

If eye irritation persists: Get medical advice/ attention.

#### IF SWALLOWED

Call a POISON CENTER/ doctor if you feel unwell.

#### If exposed

Get medical advice/attention.

---

### 5. Fire Fighting Measures

---

Fire Extinguishing Agent : Not applicable due to non-combustibility  
Fire Extinguishing Agent Not To Be Used : Not applicable  
Special Hazards : No data available  
Special Fire Fighting Procedures : Not applicable  
Protection of Fire Fighters : Not applicable

---

This SDS has been prepared based on the latest information available. However, we cannot guarantee the accuracy of the information and data contained herein, such as descriptions of hazards and toxicity. The latest rules, ordinances, laws and regulations of the national and local governments and organizations should be looked into and should apply.

---

---

## 6. Leakage Measures

---

### Personal Precautions, Protective Equipment and Emergency Measures

Immediately isolate the appropriate distances in all directions as leakage area.

Prohibit unauthorized persons from entering the area.

The workers should wear suitable protective equipment (See “8. Exposure Prevention and Protection Measures”) and avoid eye or skin contact and inhalation.

Do not touch any damaged container or leaked material without wearing suitable protective clothing.  
Stay in the wind.

Leave depression.

Ventilate sealed places.

### Environmental Precautions

Be careful not to affect the environment by discharging into rivers and others.

Dispose of the collection as industrial waste.

### Collection, neutralization, containment, and cleanup procedures and equipment

Sweep scattered matter together into a sealable container and dispose of it according to “13. Disposal Considerations”. Then, wash off with plenty of water. In this case, be careful so that thick waste fluid does not flow into rivers and others.

### Prevention of Secondary hazards

Collect leaked material immediately.

Prohibit unauthorized persons from entering the area around the leaked place.

In the case of inflow into rivers or public waterways, report to the person in charge of pollution in the local government immediately.

---

## 7. Handling and Storage Instructions

---

### Handling

- Technical Measures : Implement measures stated in “8. Exposure Prevention and Protection Measures” and wear suitable protective equipment such as protective glasses and gloves.
- Local Exhaust and Whole Ventilation : Implement local exhaust and whole ventilation stated in “8. Exposure Prevention and Protection Measures.”
- Safe Handling Instructions : Use only outdoors or in a well-ventilated area.  
Avoid contact, inhalation or swallowing.  
Wash hands thoroughly after handling.

### Storage

- Storage Conditions : Avoid high humidity, keep the product within the operating temperature range, and if possible, under lock indoors.
- Container and Packing Material : Product container or appropriate fire extinguisher.

---

## 8. Exposure Prevention and Protection Measures

---

- Equipment Measures : Not specified.
- Control Concentration : Not specified.
- Allowable Concentration : Ethylene glycol STEL C 100mg/m<sup>3</sup>, Upper limit (ACGIH)
- Protective Equipment
- Respiratory Protective Equipment : Wear suitable respiratory protective equipment.
- Hand Protection : Wear suitable protective gloves.
- Eye Protection : Use suitable eye protection.
- Skin and Body Protection : Wear suitable protective clothing and masks.

---

This SDS has been prepared based on the latest information available. However, we cannot guarantee the accuracy of the information and data contained herein, such as descriptions of hazards and toxicity. The latest rules, ordinances, laws and regulations of the national and local governments and organizations should be looked into and should apply.

---

---

## 9. Physical and Chemical Properties

---

Physical State	: liquid
Color	: Colorless
Odor	: Unique odor
Melting Point/Freezing Point	: -20°C or less
Boiling Point, initial boiling point and Boiling Range	: No data available
Flammability	: Not applicable
Lower and upper explosion limit/ flammability limit	: Not applicable
Flash Point	: None
Autoignition Temperature	: No data available
Decomposition Temperature	: No data available
pH	: 7.6 (20°C)
Kinematic viscosity (Viscosity)	: No data available
Solubility	: Easily soluble in water
Partition coefficient n-octanol/ water (log value)	: No data available
Vapor Pressure	: No data available
Density and/ or relative density (specific gravity)	: 1.19 (20°C)
Relative vapour density	: No data available
Particle characteristics	: Not applicable

---

## 10. Stability and Reactivity

---

Reactivity	: No data available
Chemical stability	: Stable under normal handling conditions
Hazardous Reactivity	: No hazardous reactivity under normal handling conditions
Conditions to Avoid	: No data available
Incompatible Hazardous Materials	: No data available
Hazardous Decomposition Products	: No data available

---

This SDS has been prepared based on the latest information available. However, we cannot guarantee the accuracy of the information and data contained herein, such as descriptions of hazards and toxicity. The latest rules, ordinances, laws and regulations of the national and local governments and organizations should be looked into and should apply.

---

---

### 13. Disposal Considerations

---

#### Residual Waste

Disposal should be in accordance with applicable laws and local regulations. The substance should be disposed of by waste disposal contractors licensed by the Governor or by local public entities if appropriate.

Waste disposal contractor, if used, should be well informed of potential hazards and toxicity from the waste.

#### Contaminated Containers and Packages

Containers should be properly disposed of in accordance with applicable laws and local regulations. If containers are disposed of, their contents should be completely removed.

---

### 14. Transport Considerations

---

United Nations Number	: When filled in a fire extinguisher, UN1044
Product Name	: FIRE EXTINGUISHERS with compressed or liquefied gas
United Nations Classification	: 2.2
Container Class	: Not applicable
Marine Pollution Materials	: Not applicable
National Regulations:	
Land Regulatory Information	Follow the provisions of the Fire Service Act
Aeronautical Regulatory Information	Follow the provisions of the Civil Aeronautics Act
Maritime Regulatory Information	Follow the provisions of the Ship Safety Act

---

This SDS has been prepared based on the latest information available. However, we cannot guarantee the accuracy of the information and data contained herein, such as descriptions of hazards and toxicity. The latest rules, ordinances, laws and regulations of the national and local governments and organizations should be looked into and should apply.

---

---

## 15. Applicable Laws

---

### Industrial Safety and Health Act:

Dangerous or Harmful Substances Subject to be Indicated their Names, etc.  
(Appended Table 9, Order Article 18 (1) & (2), Article 57-1 of the Act)

Ethylene glycol

Dangerous or Harmful Substances Subject to be Notified their Names, etc.  
(Appended Table 9, Order Article 18-2 (1) & (2), Article 57-2 of the Act)

Ethylene glycol (Cabinet Order No. 75): 3-10%

Act on Confirmation, etc. of Release Amounts of Specific Chemical Substances in the Environment and Promotion of Improvements to the Management Thereof (PRTR Law):

Not applicable

Poisonous and Deleterious Substances Control Act:

Not applicable

Fire Service Act:

Not applicable as hazardous material

Civil Aeronautics Act:

Not applicable

Ship Safety Act:

Not applicable

Water Pollution Control Act:

Order Article 2 borate compound

Sea Pollution Prevention Act:

Not applicable

---

## 16. Other Information

---

This product should be used with the understanding that the use of any chemicals involves unknown potential hazards and toxicity. Hazards and toxicity depend on the environment of use and the storage conditions and period. We suggest that those with knowledge and experience be involved in all stages from use through storage and disposal.

The instructions provided in this document should apply when the product is handled normally. If the product is handled in a special way, proper safety precautions should be taken. Also, it should be used under the responsibility of the user.

---

This SDS has been prepared based on the latest information available. However, we cannot guarantee the accuracy of the information and data contained herein, such as descriptions of hazards and toxicity. The latest rules, ordinances, laws and regulations of the national and local governments and organizations should be looked into and should apply.
